

## Oryzon to present at upcoming international conferences

- ❖ **Gordon Research Conference of “Neurobiology of Brain Disorders” in Barcelona (Spain)**
- ❖ **Solebury Trout 8th Annual Hamptons CEO Roundtable in Bridgehampton, USA**

**MADRID, ESPAÑA y CAMBRIDGE, EEUU, August 6th 2018** - Oryzon Genomics (ISIN Code: ES0167733015, ORY), a public clinical-stage biopharmaceutical company leveraging epigenetics to develop therapies in diseases with strong unmet medical need, has announced today that Executive Directors of the company will present at several international conferences in August

Dr. Tamara Maes, VicePresident and Chief Scientific Officer of Oryzon, will participate at the Gordon Research Conference in Neurobiology of Brain Disorders that will take place on August 5th to 10th at the “Gran-Hotel Rey Don Jaime” in Castelldefels (Barcelona) . The conference is focused on "*The Role of Innate Immunity, Glia, Neurons, and the Blood-Brain Barrier in the Pathogenesis of Neurodegeneration*". The company will submit a written communication on Wednesday, August 8 (poster No. 10). See more details at <https://www.grc.org/neurobiology-of-brain-disorders-conference/2018/>

Dr. Carlos Buesa, CEO of Oryzon, will present the company and will hold 1x1 meetings with international investors and industry players in the 8th edition of the Solebury Trout Annual Hamptons Roundtable CEO Conference to be held in Bridgehampton in the state of New York on August 16th. The presentation will take place within the section dedicated to companies focused on therapies of diseases of the Nervous System at 11.45 am. (see more info at <https://troutaccess.com/index.php/c/hamptons18>)

### **About Oryzon**

Founded in 2000 in Barcelona, Spain, Oryzon (ISIN Code: ES0167733015) is a clinical stage biopharmaceutical company considered as the European champion in Epigenetics. The company has one of the strongest portfolios in the field. Oryzon's LSD1 program has rendered two compounds in clinical trials. In addition, Oryzon has ongoing programs for developing inhibitors against other epigenetic targets. The company has a strong technological platform for biomarker identification and performs biomarker and target validation for a variety of malignant and neurodegenerative diseases. The company has offices in Spain and USA. For more information, visit [www.oryzon.com](http://www.oryzon.com).

### **FORWARD-LOOKING STATEMENTS**

This communication contains forward-looking information and statements about Oryzon Genomics, S.A., including financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations with

respect to future operations, capital expenditures, synergies, products and services, and statements regarding future performance. Forward-looking statements are statements that are not historical facts and are generally identified by the words “expects”, “anticipates”, “believes”, “intends”, “estimates” and similar expressions. Although Oryzon Genomics, S.A. believes that the expectations reflected in such forward-looking statements are reasonable, investors and holders of Oryzon Genomics, S.A. shares are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Oryzon Genomics, S.A., that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include those discussed or identified in the documents sent by Oryzon Genomics, S.A. to the *Comisión Nacional del Mercado de Valores*, which are accessible to the public. Forward-looking statements are not guarantees of future performance. The auditors of Oryzon Genomics, S.A. have not reviewed them. You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date they were made. All subsequent oral or written forward-looking statements attributable to Oryzon Genomics, S.A. or any of its members, directors, officers, employees or any persons acting on its behalf are expressly qualified in their entirety by the cautionary statement above. All forward-looking statements included herein are based on information available to Oryzon Genomics, S.A. on the date hereof. Except as required by applicable law, Oryzon Genomics, S.A. does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. This press release is not an offer of securities for sale in the United States. The Company’s securities may not be offered or sold in the United States absent registration or an exemption from registration. Any public offering of the Company’s securities to be made in the United States will be made by means of a prospectus that may be obtained from the Company or the selling security holder, as applicable, that will contain detailed information about the Company and management, as well as financial statements.
